**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a customer who supports broadband competition. Since I switched to a small, local provider I have seen my bill drop in such a significant amount. I cant imagine not having this service. I have been extremely happy and I hope that this short letter makes a difference. Im able to get my needs met and I pay a significant amount less each month. Please support broadband competition.
